Community CONNECTION Service Day 2012

Bringing Network Churches Together for a Time of Outreach

We talk all the time about our vision - community transformation. On **Saturday, August 18th** we'll have the opportunity to walk that vision out as we partner with various local ministries for our 2nd ever **Transformation Network Community CONNECTION Service Day** (our hope is that the impact of the day is at least as significant as the length of the name). Each network church has submitted projects, ministries have been contacted, team leaders for each project have been selected, and now **we need you** to:

-Sign up (beginning JULY 22nd) in your church lobby for a project that interests you (note the family-friendly options). If none interests you, then pin the tail on the donkey, take the one with the least volunteers, pick the one with the coolest leader, just sign up. No excuses.

-Show up at the designated launch spot ready to work on the 18th. Your project coordinator will be in touch with you to give you all necessary logistical information.

-Eat up on Sunday, August 19th from 6 to 8 pm at RiverStone. We will gather for a brief time of worship and testimonies from the service day and then have a cookout on the lawn as we celebrate the grace of God. We leave with a haiku as a reminder:

**Network Service Day
Saturday, August 18th
Sweating for Jesus***

**There is an underground, off-the-record haiku contest. Write one for your particular service project. Best one wins a prize (probably just getting to eat first on Sunday night, or maybe last because in the Kingdom the last will be the first...we'll work on that). Send your entries to ivycollins.tn@gmail.com.*
